

List of valid reasons for gma absence

As is decided on the gma of 3 July, a list has been compiled of the reasons why a full board can be validly absent from a SOFv gma, in accordance with article 5 of the House Rules. This list can be adapted through a vote on a gma.

Both a single reason concerning the entire board and multiple reasons preventing all board members from attending are considered valid.

1. The entire board is obligated to be present at a meeting or activity organised by an external party such as the Radboud University or a partner company or organisation.
2. The entire board is obligated to be present on an excursion or study trip.
3. The entire board is ill.
4. The whole board has to make an exam during the gma.
5. The whole board has to go to a mandatory class during a gma.
